

## 6" 20 pin ATX Power Supply to 24 pin Motherboard Adapter

StarTech ID: ATX2024MF

Just because your motherboard has a 24-pin ATX connector, it doesn't mean you have to pay for an expensive 24-pin ATX power supply. This adapter cable turns your power supply's 20-pin male ATX connector into the 24-pin male ATX connector needed by high-end motherboards. This reliable power adapter is backed by our lifetime warranty.

### Applications and Solutions

- > Works as an internal ATX power supply converter
- > Converts standard 20 pin ATX power supply to 24-pin ATX power supply
- > For use with Intel motherboards

### Features

- > Adapter cable converts your existing standard 20-pin ATX power supply to work as a 24-pin ATX power supply
- > Backed by StarTech.com's lifetime warranty

### Specifications

- > Connector A 1 - ATX 20 pin Male
- > Connector B 1 - ATX 24 pin Female
